## IN GOD WE TRULY TRUST ®™

*Universitas christiana. Non sufficit orbis.* ®™

**The most ambitious crypto project. We aim for universality and eviternity without imposition: that truly means ‘catholic’.**

**There are infinite cryptos, several religions, but only one Holy See, for the whole of mankind.**

**Crypto is Christian ®™**

**Render unto Caesar that which is Caesar's and to God that which is God's. But this would be the money of God, the money of Christ, the Vatican Money.**

## The first serious project for creating a true christian money
